Presented by:

Dr. Sheryl Bourque, DVM

Diane Louie, Certified Homeopath

- *Are you concerned that your pet is being over-medicated?
- *Are you tired of the same problems never being solved?
- * Does your dog or cat itch, scratch, have hair loss or chew its feet?
- * Does your pet have frequent ear infections , red skin and smell bad?
- * Does your dog or cat frequently vomit or have diarrhea?

We will explore various causes and symptoms associated with allergies and skin condition and focus on how to treat the whole animal (not just the symptoms) using Natural Therapies.
